### 35W powered loudspeakers for your desktop

Our Steljes Audio NS1 powered speakers have been designed to complement any room in your home. They can be seamlessly integrated into your lifestyle as they provide an array of connectivity; you've got it, then they'll work with it.

The Inputs on the NS1 are 1 x 3.5mm stereo jack input and 1x Bluetooth aptX receiver. Designed with a desktop application in mind these modest performers will add audio life to your surfing endeavors, be it YouTube or accompanying music whilst do you online shopping.

Equally the NS1 are at home enhancing your TV experience, connected to a games console or streaming your favorite music via Bluetooth the NS1 will without doubt be a welcome addition to your desktop or home.

Only requiring two cables, power to one and a speaker cable to connect both speakers, they can be set up almost anywhere you wish, mains supply permitting.

Available in 7 finishes, the NS1 provide a colour palette to suit the most discerning tastes. Alluring, modest, yet effortless in design, the NS1 are an audio wonder.
