

NS3

POWERED LOUDSPEAKERS FOR ALL AUDIO SOURCES

MAIN FEATURES

- 45W RMS output x 2
- Multiple Connectivity: Analogue / Digital / Bluetooth
- USB Charging
- 7 available colours

Powered loudspeakers with a diverse range of connectivity

Our Steljes Audio NS3 powered speakers have been designed to complement any room in your home. They can be seamlessly integrated into your lifestyle as they provide an array of connectivity; if you've got it, then they'll work with it.

The Inputs on the NS3 are 1 x Optical, 1 x RCA Analogue, 1 x 3.5mm stereo jack input and 1 x Bluetooth receiver. In addition to the range of inputs we have also furnished the NS3 with the ability to charge devices via a USB output, and furthermore a Subwoofer Output to extend the bass if you feel compelled to do so.

Equally at home enhancing your TV experience, connected to a games console or streaming your favorite music via Bluetooth, the NS3 will without doubt be a welcome addition to your home or place of work.

Only requiring two cables, one mains cable and a speaker cable to connect both speakers, they can be set up almost anywhere you wish. An extra layer of convenience tops these beauties off with a full function remote control.

Available in 7 finishes, the NS3 provide a colour palette to suit the most discerning tastes. Alluring, yet effortless in design, the NS3 are an audio masterpiece.

Beautifully engineered & designed in Great Britain
